

Be part of the Next Generation of **ICT** Research Leaders

Marie Skłodowska-Curie postdoctoral fellowships in Ireland

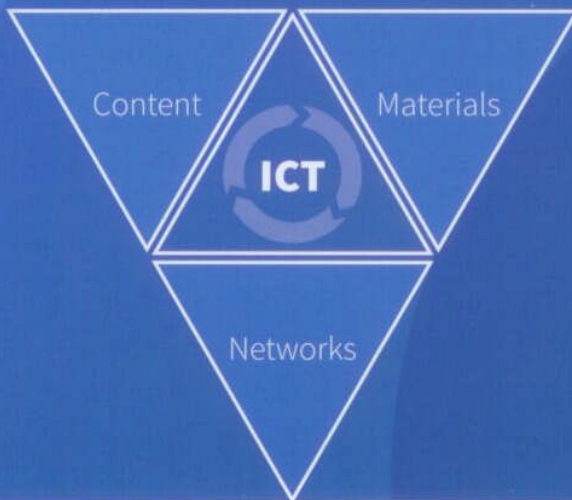

Call opens September 2016

REGISTER YOUR INTEREST NOW

Email us at EDGE@tcd.ie

EDGE is a Marie Skłodowska-Curie
COFUND Action postdoctoral programme

Become part of the next generation of research leaders in Information Communication Technology (ICT). EDGE fellows will be researchers who are technically strong in their own discipline and capable of performing high-value, interdisciplinary research. The EDGE programme will provide researchers with a deep understanding of the entire ICT pipeline and the skills to develop further in their careers.
