**The Second International Conference on Bioenvironment,
Biodiversity and Renewable Energies
BIONATURE 2011
May 22-27, 2011 - Venice, Italy
<http://www.aria.org/conferences2011/BIONATURE11.html>**

Important deadlines:

Submission (full paper)	January 10, 2011
Notification	February 20, 2011
Registration	March 5, 2011
Camera ready	March 20, 2011

Tracks:

A. Bioenvironment (climate, global warming, hydrology, wind science, pollution, economics)

- Climate
- Hydrology
- Cryosphere
- Wind science
- Public health
- Economics
- Responsibility

B. Biodiversity and invasion control (marine, oceanic, ArcticAntarctic, forests, bioinvasion)

- Marine & oceanic bio-technologies
- Oceanic bio-diversity
- Arctic and Antarctic bio-pulse
- Forest landscape
- Bioinvasion

C. Renewable and Sustainable Energies

- Energy sustainability
- Energy bioscience
- Eolian Energy
- Photovoltaic solar energy
- Biomass energy
- Green energy technologies and economic models
