**First International Workshop on Wireless Mesh Networking for  
Human and Livestock Healthcare**

**WMHLH 2012**

**August 19-24, 2012 - Rome, Italy**

<http://www.aria.org/conferences2012/WMHLH.html>

**Important deadlines:**

Submission deadline	April 5, 2012
Notification	May 23, 2012
Registration	June 7, 2012
Camera ready	June 7, 2012

**Tracks:**

- Applications of wireless mesh networks for human and livestock healthcare
- Mesh network protocols and algorithms for human and livestock healthcare
- Antenna and transceiver design for human and livestock healthcare
- Energy efficient protocols and architecture for human and livestock healthcare
- Sustainable design of networks and devices
- Cognitive mesh networks for human and livestock healthcare
- Secure networking for human and livestock healthcare
- Standard and policies of applying wireless networks for human and livestock healthcare
