Paper Format

See: <http://www.aria.org/conferences2016/CfPCYBER16.html>

Before submission, please check and comply with the editorial rules:

<http://www.aria.org/editorialrules.html>

Publications

Extended versions of selected papers will be published in IARIA

Journals: <http://www.ariajournals.org>

Print proceedings will be available via Curran Associates, Inc.:

<http://www.proceedings.com/9769.html>

Articles will be archived in the free access ThinkMind Digital Library:

<http://www.thinkmind.org>

Registration

Each accepted paper needs at least one full registration, before the camera-ready manuscript can be included in the proceedings.

Registration fees are available at <http://www.aria.org/registration.html>

Content

The topic suggested by the track can be discussed in term of concepts, state of the art, research, standards, implementations, running experiments, applications, and industrial case studies. Authors are invited to submit complete unpublished papers, which are not under review in any other conference or journal in the following, but not limited to, topic areas.
