

Maribel Yasmina Santos, Professor of Information Systems and Technologies at the Department of Information Systems, University of Minho, Portugal. Maribel Yasmina Santos is the leader of the research track “*business and location-enhanced database systems*” of the Software Engineering and Management Group (<http://semag.algoritmi.uminho.pt>) of the ALGORITMI Research Centre (<http://algoritmi.uminho.pt/>).

Maribel Yasmina Santos received her Habilitation in Information Systems and Technologies (*Agregação em Tecnologias e Sistemas de Informação*) from the University of Minho, 2012, and her Ph.D. in Information Systems and Technologies, University of Minho, 2001. She received the M.Sc. degree in Informatics (1996) and a degree in Informatics and Systems Engineering (1991) also from the University of Minho.

Currently, she is sub-director of the Department of Information Systems and member of the AGILE council (Association of Geographic Information Laboratories for Europe, <http://www.agile-onlie.org>).

Her research interests include business intelligence, spatial data warehousing, spatial data mining, spatial on-line analytical processing, spatio-temporal data models and spatial reasoning. She is member of the Editorial Board of the:

- *International Journal of Data Mining, Modelling and Management* (<http://www.inderscience.com/browse/index.php?journalCODE=ijdmmm>);
- *International Journal on Advances in Intelligent Systems* (http://www.iariajournals.org/intelligent_systems/index.html).

She is author or co-author of more than 80 international publications, including books, book chapters and papers in scientific journals and international conferences. She integrated the scientific or organizing committee of more than 40 international conferences including the IARIA conferences: *International Conference on Advances in Databases, Knowledge, and Data Applications (DBKDA)*, *International Conference on Software Engineering Advances (ICSEA)* and *International Conference on Business Intelligence and Technology (BusTECH)*.
