

Bobby Gheorghiu BBA, MHSc

Director, Analytics
Canada Health Infoway

Bobby has 20 years of experience across the acute care, government and policy sectors of the healthcare system. In his current role with Canada Health Infoway he uses data analytics and the development and monitoring of performance indicators to stimulate adoption and demonstrate tangible benefits of investments in digital health.

Bobby has Bachelor in Business Administration from the Schulich School of Business, York University and a Master's Degree in Health Policy, Management, and Evaluation from the University of Toronto.
