

Dr.-Ing Mehran Goli

University of Bremen/DFKI Bremen, Germany

Mehran Goli works as a senior researcher at the University of Bremen (Universität Bremen) and the German Research Center for Artificial Intelligence (DFKI) in Bremen, Germany. He received the B.Sc. degree in computer engineering from the University of Shahid Beheshti, Tehran, Iran, in 2012, and an M.Sc. degree in computer engineering from the School of Electrical and Computer Engineering (ECE) at the University of Tehran (UT), Tehran, Iran, in 2015. He holds a Ph.D. degree (Dr.-Ing.) in Computer Science from the University of Bremen, Germany (2019). Dr. Goli was a recipient of the Best Paper Award at the Forum on specification and Design Languages (FDL) conference in 2021, a nominee for the GI Excellent Computer Science Dissertations award, and a recipient of Ph.D. scholarship award from the German Academic Exchange Service (DAAD).

He was a member of program committees of FDL, ICONS, CYBER conferences, a reviewer of IEEE Transactions on Very Large Scale Integration Systems, ACM Transactions on Embedded Computing Systems journals, and an external reviewer of DATE, DAC, ICCAD, ETS, DSD, and RSP conferences.

His research interests are system-level design, verification, security validation, and machine learning techniques for CAD.
