**The Third International Conference on Bioenvironment,  
Biodiversity and Renewable Energies  
BIONATURE 2012  
March 25-29, 2012 - St. Maarten, The Netherlands Antilles  
<http://www.aria.org/conferences2012/BIONATURE12.html>**

**Important deadlines:**

Submission (full paper)	November 5, 2011
Notification	December 23, 2011
Registration	January 7, 2012
Camera ready	January 7, 2012

**Tracks:**

**A. Bioenvironment (climate, global warming, hydrology, wind science, pollution, economics)**

- Climate
- Hydrology
- Cryosphere
- Wind science
- Public health
- Economics
- Responsibility

**B. Biodiversity and invasion control (marine, oceanic, ArcticAntarctic, forests, bioinvasion)**

- Marine & oceanic bio-technologies
- Oceanic bio-diversity
- Arctic and Antarctic bio-pulse
- Forest landscape
- Bioinvasion

**C. Renewable and Sustainable Energies**

- Energy sustainability
- Energy bioscience
- Eolian Energy
- Photovoltaic solar energy
- Biomass energy
- Green energy technologies and economic models
