Paper Format
Before submission, please check and comply with the editorial rules:
http://www.iaria.org/editorialrules.html

Publications
Extended versions of selected papers will be published in IARIA
Journals: http://www.iariajournals.org
Print proceedings will be available via Curran Associates, Inc.: http://www.proceedings.com/9769.html
Articles will be archived in the free access ThinkMind Digital Library: http://www.thinkmind.org

Registration
Each accepted paper needs at least one full registration, before the camera-ready manuscript can be included in the proceedings.
Registration fees are available at http://www.iaria.org/registration.html
Content
The topic suggested by the track can be discussed in terms of concepts, state of the art, research, standards, implementations, running experiments, applications, and industrial case studies. Authors are invited to submit complete unpublished papers, which are not under review in any other conference or journal in the following, but not limited to, topics minimizing the cost of advanced data analytics for organizations and creating an analytics culture.
