

International Academy, Research, and Industry Association

Keynote Speaker Certificate

Presented to

Andreas Hausotter

In recognition of outstanding contribution as presenter of the keynote titled
*Model-driven Microservice Development - Applying Domain Driven Design (DDD) to
Microservices Architecture*

during ComputationWorld 2021, held in Porto, Portugal - April 18 - 22, 2021

IARIA Board

International Academy, Research, and Industry Association

Keynote Speaker Certificate

Presented to

Aspen Olmsted

In recognition of outstanding contribution as presenter of the keynote titled

Developing Scalable Cloud Based Education Academic Programs

during ComputationWorld 2021, held in Porto, Portugal - April 18 - 22, 2021

IARIA Board

International Academy, Research, and Industry Association

Keynote Speaker Certificate

Presented to

Olga Chernavskaya

In recognition of outstanding contribution as presenter of the keynote titled

On Modeling and Analyzing the Creativity in Art and Science

during ComputationWorld 2021, held in Porto, Portugal - April 18 - 22, 2021

IARIA Board

International Academy, Research, and Industry Association

Keynote Speaker Certificate

Presented to

Jay Lofstead

In recognition of outstanding contribution as presenter of the keynote titled
Simulating Additive Manufacturing by Rethinking Simulation Structures
during ComputationWorld 2021, held in Porto, Portugal - April 18 - 22, 2021

IARIA Board

International Academy, Research, and Industry Association

Keynote Speaker Certificate

Presented to

Hiroyuki Sato

In recognition of outstanding contribution as presenter of the keynote titled

The Internet Trust: Classic Scenarios and IoT Scenarios

during ComputationWorld 2021, held in Porto, Portugal - April 18 - 22, 2021

IARIA Board

International Academy, Research, and Industry Association

Keynote Speaker Certificate

Presented to

Yong Woo Lee

In recognition of outstanding contribution as presenter of the keynote titled
*ISO/IEC Linux Standards for Cloud Computing, IoT, Smart Cities and the 4th
Industrialization*

during ComputationWorld 2021, held in Porto, Portugal - April 18 - 22, 2021

IARIA Board

International Academy, Research, and Industry Association

Keynote Speaker Certificate

Presented to

Joao E. Kogler Jr

In recognition of outstanding contribution as presenter of the keynote titled
Cognition and Cognitive Processes in the Realm of Design, Science and Philosophy
during ComputationWorld 2021, held in Porto, Portugal - April 18 - 22, 2021

IARIA Board

International Academy, Research, and Industry Association

Keynote Speaker Certificate

Presented to

Christoph Knieke

In recognition of outstanding contribution as presenter of the keynote titled
Connecting Product Management and Software Architecture – Challenges for the Digital Transformation

during ComputationWorld 2021, held in Porto, Portugal - April 18 - 22, 2021

IARIA Board

International Academy, Research, and Industry Association

Keynote Speaker Certificate

Presented to

Andreas Rausch

In recognition of outstanding contribution as presenter of the keynote titled
Connecting Product Management and Software Architecture – Challenges for the Digital Transformation

during ComputationWorld 2021, held in Porto, Portugal - April 18 - 22, 2021

IARIA Board
