ICSNC 2021: The Sixteenth International Conference on Systems and Networks Communications

<https://www.iaria.org/conferences2021/ICSNC21.html>

October 03 - 07, 2021 - Barcelona, Spain

With the technological advancement, there emerges numerous challenges for law and its enforcement. Technology, on the one hand, eases out the way humans conduct their operations in various fields, but it also leads to creation of issues pertaining to rights and obligations of stakeholders. Another significant consequence of creation of technology is the germination of disputes due to its use to harm humankind.

Thus, it is important to understand how law can keep the pace with technology while allowing it to prosper for the benefit of humanity. It is pertinent to see what kind of challenges arise from use of technology.

Note: The word 'technology' here has been used in a broad sense to include every kind of technology be it Computers, Networks, Satellites, Missiles, Aircrafts, etc.
