**The Twentieth International Conference on Sensor
Technologies and Applications
SENSORCOMM 2026**

October 25 - 29, 2026 - Lisbon, Portugal

<http://www.aria.org/conferences2026/SENSORCOMM26.html>

Important deadlines:

Submission (full paper)	July 6, 2026
Notification	August 23, 2026
Registration	September 6, 2026
Camera ready	September 20, 2026

Tracks:

- TRENDS: Targets and achievements
- APASN: Architectures, protocols and algorithms of sensor networks
- MECSN: Energy, management and control of sensor networks
- RASQOFT: Resource allocation, services, QoS and fault tolerance in sensor networks
- PESMOSN: Performance, simulation and modelling of sensor networks
- SEMOSN: Security and monitoring of sensor networks
- SECSN: Sensor circuits and sensor devices
- SOCIAL: Social Sensing
- RIWISN: Radio issues in wireless sensor networks
- SAPSN: Software, applications and programming of sensor networks
- DAIPSN: Data allocation and information in sensor networks
- DISN: Deployments and implementations of sensor networks
- AIS: Atmospheric Icing and Sensing
- UNWAT: Under water sensors and systems
- ENOPT: Energy optimization in wireless sensor networks
