## The Twentieth International Conference on Advances in Computer-Human Interactions

**ACHI 2027**

**April 18 - 22, 2027 - Lisbon, Portugal**

<http://www.aria.org/conferences2027/ACHI27.html>

### Important deadlines:

Submission (full paper)	December 28, 2026
Notification	February 24, 2027
Registration	March 10, 2027
Camera ready	March 14, 2027

### Tracks:

- AI: AI-powered ACHI
- INTER: Interfaces
- SUSTAIN-CHI: CHI and sustainability
- HUM-IND4.0: Human-centered industrial technologies
- OUI: Organic user interfaces
- HAPTIC: Haptic interfaces
- SYSTEMS: Interactive systems
- DEVICES: Interaction devices
- DESIGN & EVAL: Interaction & interface design & evaluation
- MODELS: Principles, theories, and models
- USER: User modeling and user focus
- CHILDREN: Children-computer interaction
- ELDERLY: Designing for an aging population
- PARADIGMS: Traditional and emerging paradigms
- ACCESS: Usability and universal accessibility
- HUMANWEB: Human-Web Interaction
- HUM-ROBOTS: Human-robot interaction
- HUM- AGENTS: Agents and human interaction
- SOCIAL: Social aspects of human-computer interaction
- GAMES: Computer games and gaming
- EDUCATION: Human-computer interaction in education and training
- MED APPS: Applications in medicine
- TELECONF: Teleconferencing
- APPLICATIONS: Other domain applications
