

IARIA Salient facts/links

Vision: globally and freely sharing scientific knowledge, accessible 24/7

Home: <https://www.aria.org/>

About: <https://www.aria.org/about.html>

Board: <https://www.aria.org/boards.html>

Fellows: <https://www.aria.org/fellows.html>

Committee coverage: https://www.aria.org/coverage_area.html

Events: <https://www.aria.org/conferences.html>

IARIA proceedings and journals are **free-access** with **no subscription** and **no-publication-fees** for journals (see ThinkMind Digital Library www.thinkmind.org)

IARIA relies on everybody's help to carry on this global vision on freely sharing scientific knowledge.

Materials

- Registered: with the Library of Congress of the United States of America (ISSN)
- Hosted: by [Technische Informationsbibliothek \(TIB\) - German National Library of Science and Technology](https://www.tib.eu/en/) (Open Access) (<https://www.tib.eu/en/>)
- Free Access: in [ThinkMind Digital Library](http://www.thinkmind.org) (www.thinkmind.org)
- Free Access: [Mirror at Universitat Politècnica de València \(UPV\), Spain](https://personales.upv.es/thinkmind/) (<https://personales.upv.es/thinkmind/>)

IARIA operations

- Dedicated (paid) logistics for operational activities.
- The only operational support comes from the conference registration fees and supporters/sponsors of IARIA.
- Fully voluntarism-based Board and Technical Program Committee members, no wages for any scientific activity
- Publication is based on peer-review process (3-7 reviews), many cross-validation reviewing rounds, and free editorial/English review/assistance.
- **Journals: Platinum/Diamond Open Access:** no publishing fees, no access fees, free access, free download, free re-use/re-posting, authors keep the copyrights
- **Conference Proceedings:** Gold Open Access: authors pay reasonable fees, free access, free downloads, free re-use/re-posting.
